

# Favorite Things Poem

Step 1: On a separate sheet of paper, make a list of your favorite things.

Step 2: See if you can rhyme anything on your list with something else that you like.

Step 3: Rearrange your words so that you put the rhyming words at the ends of every other line.

Step 4: Create the perfect ending for your poem. Since this is a poem about things that you like, you could end the poem with a pair of lines such as: these are just a few/things I think are cool.

EXAMPLE:

## MY FAVS

Ice cream, popcorn,  
drawing, dancing,  
kitten, puppies,  
laughing, singing,

mysteries, movies,  
hanging with friends,  
my list of faves  
just never ends.
