

Reading Comprehension

Learning goal: Reading to identify facts (Literal Comprehension).

Read the passage below and answer each of the questions in full sentences.

It was finally my favourite day of the week - Sunday! Every Sunday morning my family and I cook pancakes together for breakfast. My brother, Finn, has his with bananas but I love sweet, juicy strawberries.

'Maxi! Time to cook!' my Mum yelled from the kitchen downstairs.
'Coming!' I replied.

As I rushed down the stairs my dog, Trip, came to greet me. Every morning he jumps on me for cuddles. He followed me into the kitchen. While we cook, he waits nearby to see if we happen to accidentally drop something for him to eat!

He was lucky today; my brother dropped two strawberries and he quickly ran to snap them up. Lucky he's cute. I don't usually like to share my delicious strawberries.

What is Maxi's favourite thing about Sundays?

Who is Maxi's brother?

How many strawberries does Maxi's brother drop?

What does Maxi do when her dog jumps on her?
